### Victor Perdevara

ma uit pe buletinul meu sa vad unde-i linia rosie. sunt clinic sanatos si nu un om nebun. refuz sa cred ce crede lumea.

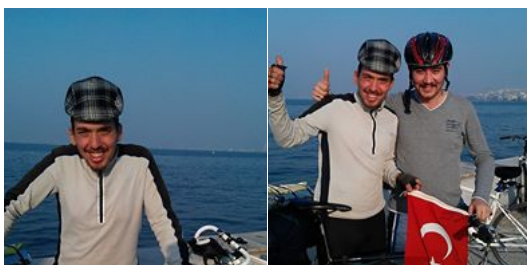

sunt trezit, in plina noapte, de un locuitor patruped al orasului antic Efes. e singura data cand inteleg unde ma aflu si cat amar de drum am parcurs.

e clar ca m-am trezit din nebulie si e timpul sa-mi demontez cortul. popul de pe vremea lui Atatürk mi-a balosit absida. una din cracile aflate in erect o transform in suport de uscat foaia de cort. roua rece imi curata praful de pe adidas si nu foaia deja uda. ...

In pribegiile mele am intalnit o tanti mai in varsta dar inca sexoasa care mi-ar fi oferit un trai imbelsugat in Alpii francezi, daca acceptam sa-i fiu concubin si sa ma las de cicloboschetareala. Am refuzat-o. Nu stiu daca sa regret sau nu! Pur si simplu nu ma pot stabili intr-un singur loc nici daca mi se ofera totul gratuit.

Cum să cheltui cu folos 50 de lei (include transport, ghid, protocol), în 10 noiembrie: mergi într-o excursie de o zi cu Aiurix Rides, în ținutul Buzăului de Nord. Plecarea de la Gara din Buzău, la 8 dimineața. Înscrieri aici: <http://goo.gl/nrdHfC>  
Se merge și pe jos, dar nu mult.

De mult timp tot am vrut să dau share la una dintre excursiile astea făcute de tinerii de la Aiurix Rides, singurii cu adevărat implicați să pună Buzăul pe harta turiștilor.

Citez: "Exploram cateva cetati si grote vechi, unele locuite cu mii de ani in urma, dar si cariere si galerii de exploatare a calcarului ceva mai recente, in care au fost descoperite arme, vase, podoabe, statuete, inscriptii rupestre, oseminte, fosile, comori (vezi Closca cu puii de aur). Locuri fascinante, pline de mistere. Un circuit de cel mult 150 km pe Dealu Mare, prin Naeni, Breaza, Pietroasele, Sarata Monteoru, cu traversare spre Valea Niscovului, Ciolanu si Berca. Deranjul chiar merita..."

### Bautori De Cursa Lunga

S-a umplut Facebook-ul de panarama de postari intitulate "Cum poti afla parola de Facebook a cuiva?"

Pai nu-i greu... Mai intai alegi victima. Dupa, o chemi la tine acasa si o pui, fara sa suspecteze nimic, sa se logheze pe facebook si sa salveze userul si parola. Daca te intreaba "de ce?" te faci ca n-ai auzit. Dupa ce s-a logat si si-a salvat datele il rogi frumos sa iasa de pe Facebook, chiar insisti sa dea logout ca sa nu banuiasca nimic si-l dai in mortii lui afara din casa ca sa-i poti sparge parola, doar esti hacker, nu? Apoi selectezi parola ( aia cu bulinute) si dai click dreapta si in loc de "password" jos in fereastra, bagi un text de hacker de la mama lui care se cheama "imput". Dupa toata truda asta iti dispar bulinutele de la parola si apare clar parola care probabil e "ofutpemata" ca sa fie usor de tinut minte. Ai aflat parola cuiva. Si ai aflat ca "ofutpemata". Felicitari, esti programa-taur...castrat.

**Amazing Things in the World**

Check out these amazing TREE CLIMBING goats.

Found in Morocco, they climb these Argan tree in search of food. It's hard to imagine that animals with hooves could be so adept at climbing but these images are 100% real. Food is fairly sparse in this area, so they have to grab it when they can - even if it's high up in a tree!

The secret to their ability to climb lies in the shape of their hooves. The keratin reinforced hoof wall adds strength, while the soft textured sole provides traction and grip. It's also capable of deforming inwards to counter irregularities in the terrain. Their toes are capable of operating independently giving them more of a "grip".

These hooves evolved to allow the goats to climb rocky, mountainous areas - but they've shifted ecosystems to the trees!
